TAKE THE LEAP!

We are recruiting!
Join our Youth Panel

Do you care about your local wildlife and want to inspire others to take action? **We're looking for young people aged 16-25 to join the Species on the Edge Youth Panel.**

Panellists will meet online to discuss issues relating to the natural environment and will be supported in developing their own local projects to help more people connect with nature. There will also be the opportunity to join a spring residential.

To find out more about the opportunity, scan the QR code or head to www.speciesontheedge.co.uk.
